JAN – FEB TRIPS

The year started with exciting postgraduate classes at our Mission's Bible college. Each year, my son Brian joins me for a week of spiritual and scriptural challenges.

After classes, Tap traveled to Los Angeles and Lancaster, CA, presenting *The Redemptive Use of the Internet* to two Hispanic churches and attending a leadership conference at West Coast Baptist College. Our oldest son suggested, *Mom, why not visit us in Campeche while Dad is away?* Later, Tap joined Denise in Campeche, where he shared about the South Asia ministry five times. Lord willing, we hope to do the same next year!

After Campeche, Brian and Tap attended a Pastors' Conference at Iglesia Bautista Puerta Abierta in Tijuana, where Tap presented ministry work in India, Pakistan, Nepal, and Myanmar.

MINISTRY IN MEXICO

Our Thursday outreach program for children has attracted new parents and their kids. For our midweek and Sunday services, we set up chairs in whatever space is available. We urgently need more room! As our church approaches its 28th anniversary in April, the masons are working hard to finish the new sanctuary. We are excited about finally having enough space to welcome our sister churches.

Ministry to South Asia

During Christmas, Tap preached to more than 150 people in Pakistan, India, and Myanmar. After a travel pause in Jan-Feb, the weekly Zoom and WhatsApp classes for pastors, an informal Bible institute, and a discipleship class for young men resumed with great anticipation.

One pastor among Tap's *Great Commission Partners* is building a school, while another is building a church. Young pastors from war-torn Myanmar are sharing the Gospel with their neighbors. Over 390 children from Hindu and Muslim families are learning about the Gospel in six schools. One evangelist was punched in the face twice for handing out Gospel tracts.
