In May we had our annual [MGMI](#) mission retreat in Hermosillo, Sonora, with all the West Coast MGMI staff & fellow missionaries from Mexico. It was a great week for mutual edification and spiritual renewal.

Our director, Dr. Daniel Wokaty, surprised us with a previously arranged interview with our youngest son, **Paul**. We were almost *brought to tears* watching and listening to his memories while in Mexico and his participation through the years serving in Sinaloa with the family. ([See video below](#))

In March, we celebrated the 28th anniversary of [Iglesia Baustista Betel](#) in Alhuey, Sinaloa. We were excited to use our enlarged sanctuary with plenty of room for the visiting churches who came to celebrate God's faithfulness with us.

## Hola from **THE HORNORS** Serving since 1996 from Sinaloa, Mexico, to South Asia Spring 2025

*We sincerely thank you for your prayers and faithful support!*

28<sup>th</sup> Anniversary Service in Alhuey

Although there are still some unfinished projects, the extra space is entirely usable. It provides the necessary room for the growing number of people coming to our services from ten surrounding towns.

Tap usually preaches once a month, and Denise shares playing the piano with grandson **Jesed** and **Jimena**, a talented young teenager from the youth group. Jimena is joined by several other teens who bless our services with our "mini orchestra"!

Tap has begun preaching again at two different drug rehabilitation centers each week. Tap also takes a great interest in organizing pastors' meetings with our sister churches in Sinaloa. We now have the freedom to travel to help other ministries.

We arrived at [Campamento Meta](#) in Morelia, Michocán, on June 6 to begin our 11<sup>th</sup> year of serving there. We will stay until the end of August. We just finished a Father's Day retreat for 100 men, including their sons and staff.

Our service at camp involves several areas: general cleanup, manning the store, assisting in the outside kitchen during the five weeks of youth camp (250+ participants each week), and preaching/teaching, which begins mid-July. There is much to do to get the camp in *tiptop* shape for these intensive weeks. We count it an honor and privilege to work among other faithful servants supported by a great local church.

### [Ministry to South Asia](#)

Tap has between 6-8 weekly Zoom or WhatsApp meetings with five groups of pastors, a discipleship class with young men from Pakistan, an informal Bible Institute with faithful couples from India and occasional invitations to preach to inquiring souls in private homes with 5-30 persons.

Tap preached to a Buddhist family in their home. ([Message](#)) Since then, the family has been assisting **G.'s** home church!

This afternoon we held a prayer service, and many people came to listen to the Word of God. Thank the Lord for your prayers.

## Praise & Prayer Requests

- **Praise the Lord** for growing attendance at the church in Alhuey, for five believers being baptized, for a very active youth group, ladies fellowship, men's prayer breakfast, and ongoing soulwinning to more towns.
- **Praise the Lord** for opening new doors to preach the Gospel and serve the local body of believers.
- **Pray for guidance/power:** Tap preaches 20+ times a month in Mexico and South Asia.
- **Please pray** for the ongoing spread of the Gospel in Sinaloa and South Asia through more committed men, women, and youth. **2 Timothy 2:1-2**
- **Please pray** for peace in Sinaloa (there has been renewed deadly gang violence since September 2024), in Myanmar where there is a civil war, & for courage to preach the Gospel in spite of persecution in India.
