Ministry in Morelia

From June 6 to August 21, Denise and Tap completed their eleventh year serving at **Campamento Meta** in Morelia, Michoacán — supporting camp and the local church in maintenance, visitation, and preaching, grateful to serve alongside a faithful team.

Only eternity will reveal the fruit; in this world our outdoor kitchen netted \$21,000 pesos for the camp.

We thank God for the Gospel's growing impact in Alhuey through **Iglesia Bautista Betel**. Reaching families for Christ remains our biblical priority — and the sanctuary has now doubled in capacity.

New expanded sanctuary in Alhuey

After a missions' conference in Mexico City (Sept 11–14), Tap woke at 4:00 AM on Sept 18 sweating profusely, canceled his 6:00 AM Zoom with northwest India, and went to the hospital. Taken first to Guamúchil and then transferred to Los Mochis, he received a pacemaker that evening. Home by 8:00 PM Saturday, he has begun recovery. Tap is progressing "little by little" with restrictions on rapid movements and lifting heavy objects.

His mind and voice were not affected and he continues preaching in Alhuey and to South Asia.

Ministry to South Asia

The growing outreach using faithful men and families reach the "unreached" in India, Pakistan, Nepal, and Myanmar through the **Redemptive Use of the Internet** is a glorious opportunity!

Praise & Prayer Requests

- Tap and Denise are **VERY GRATEFUL** for all the prayers from friends and churches during the past few weeks.
- We are planning a trip to the East Coast in Nov. - Dec., preaching at churches, seeing family members, some we have not seen in 60 years (many unsaved)! Pray for the Lord's strength and may His will be shown in the following months.
- Pray for guidance/power: Tap preaches 20+ times a month in Mexico and South Asia. The ministry has not slowed down!
- Please pray for faithfulness of all in Sinaloa, (with crime outbreaks), for faithfulness in Myanmar among believers in the face of civil war, and the same for new believers in India, Pakistan, and Nepal from unfriendly governments.
